

FOR IMMEDIATE RELEASE

Benefits-In-A-Card and Allstate workplace Division are pleased to announce that Wal-Mart, CVS and Walgreens have joined ScriptSave's nationwide pharmacy network.

ScriptSave, our leading provider of prescription drug discount programs, is creating one of the country's largest pharmacy networks. ScriptSave's 12 million plus cardholders can easily access these chain pharmacies to reduce their out-of-pocket prescription drug expenditures.

ScriptSave's pharmacy network comprises a majority of the top retail chains as ranked by the National Council for Prescription Drug Programs (NCPDP), including: Walgreens, Wal-Mart, Rite Aid, CVS Pharmacy, Eckerd, Kroger Pharmacy, Kmart, Target, Albertsons, Safeway, Longs Drug Stores, Winn Dixie and Publix. Many independent pharmacies throughout the U. S. also participate in the network.
